POISONS & PESTICIDES

Just a reminder that the use of any poison placed to kill rabbits is highly discouraged in Margate and closely regulated by the State of New Jersey. NJ State Law requires that use of such must be placed in tamper resistant bait boxes in locations not accessible to children, pets, domestic animals or non-target wildlife. NJ State Pesticide Control Code 70:30-10.3

MARGATE CITY FIRE DEPARTMENT SMOKE DETECTORS SAVE LIVES!

The Margate City Fire Department is always available to install smoke detectors.

Upon request, we also provide free smoke detectors to our residents.

CARBON MONOXIDE DETECTORS SAVE LIVES!

Carbon Monoxide (CO) is the leading cause of accidental poisoning deaths in North America.

Carbon Monoxide is odorless, tasteless and invisible—it's a silent killer. The only safe way to know if carbon monoxide is present is to install carbon monoxide detectors (alarms) on every level of your home and in sleeping areas.

For more information, advice or to schedule an installation, please contact the

Margate City Fire Department at (609) 822-5562
