RESOLUTION #45-2017 RESOLUTION OF THE CITY OF MARGATE IN SUPPORT OF ATLANTIC COUNTY PLEDGING NON-ACCEPTANCE OF LESS THAN ITS FAIR PERCENTAGE OF PILOT PROGRAM REVENUES

WHEREAS, the State of New Jersey passed into law a PILOT program to benefit Atlantic City wherein, under expected circumstances, the City will receive no less than \$120 million per year in lieu of property taxes for the next budget year and a number of years thereafter from casinos operating in Atlantic City; and

WHEREAS, a portion of those funds are payable by the City of Atlantic County, as has always been the care for property taxes, to sustain the County budget and fund the services the County provides to its citizens, including Atlantic City citizens; and

WHEREAS, the PILOT program legislation notably and significantly fails to provide direction and guidance concerning the actual portion of the funds that are to be paid by the City to Atlantic County of the County budget and the services the County provides, arguably a major flaw in the PILOT program legislation inasmuch as the legislation fails to take into account Atlantic County's reliance on the City's payments and did not protect the County's financial integrity with regard to the same; and

WHEREAS, State officials and agencies having oversight and responsibilities for fair administration of the PILOT program legislation instead have suggested the City and County negotiate their positions on the subject; and

WHEREAS, in preforming its due diligence in calculating a fair and reasonable sum, the Atlantic County Board of Taxation reviewed and analyzed tax receipts from the City over the years and determined the City historically paid the County approximately 13.5%, net of any refunds, the actual figure being higher, of its tax revenues, and the County secured the verbal consent of both Assemblyman of the County, and the Mayor of Atlantic City at a meeting of Atlantic County Mayors, Freeholders and Legislators to the figure, and in addition thereto the Mayor of Atlantic City signed an agreement with the County to that same effect; and WHEREAS, Atlantic County did not cause or create the City's financial losses in its tax

revenues brought on by the sharp decline of the City's casino industry and was not allowed to participate with the City in its defense of multiple casino tax appeals that led to huge losses in tax revenues by the City and an obligation on the City's part to refund millions of dollars to the casinos that successfully appealed their taxes; and

WHEREAS, it would be patently unfair and unjust to allow and force large losses to the County's budget process by serious shortfalls in payments by the City to the County, which in turn would require the County to significantly curtail its services to the City and County, or force a big increase in County taxes to its taxpaying citizens Countywide; and

WHEREAS, Atlantic County deems the current circumstances to be very unfair to the County, will cause serious distortion, disruption and stress to the County Budget needs and process, and will cause a drastic reduction in services and/or a large and unnecessary tax increase Countywide.

NOW, THEREFORE, BE IT RESOLVED, by the Margate City Board of Commission that it support the Board of Chosen Freeholders of the County of Atlantic County that it is unable and cannot justify to its taxpayer citizens Countywide acceptance of less than 13.5%, net refunds, of the City's PILOT program funds that were promised, and cannot accept an agreement for less.

BE IT FURTHER RESOLVED, the Margate City Board of Commissioners support the Board of Chosen Freeholders of the County of Atlantic authorizes the County Executive and Administration of the County to withhold payment that may be claimed to be due to Atlantic City from the County resulting from any tax appeals until such time as an agreement is entered unto between Atlantic City and the County of Atlantic assuring that the County of Atlantic will timely receive from the City as its fair share 13.5%, net of refunds, on all PILOT program funds paid tot eh city by casinos.

BE IT FURTHER RESOLVED, that a certified copy of this Resolution be directed to the governmental body of each Atlantic County municipality, the Mayor's Association of Atlantic

County, the Governor, Senate and Assembly and legislative teams representing any portion of Atlantic County.
