

The Class

This full day educational class is limited to 7th-12 grade students who have an interest in law enforcement or related forensic sciences. Students will learn how to identify then process a mock crime scene by collecting evidence using the most up-to-date modern techniques and methodologies learned during the lecture portion of the class. The students will follow the clues left behind by the suspect(s), and develop supporting evidence to solve the crime. The class is designed to challenge all students while having fun solving the crime. This class is taught by Captain (ret) Sean Clancy formerly of the Atlantic County Prosecutor's Office and other experienced Detectives. For additional details please visit: NationalCSIcamp.org. Limited Seating. Register today @:
