24 – 26 South Benson Avenue
Block 125 Lot 34

The Applicant currently owns 24 – 26 South Benson Avenue also known as Block 125 Lot 34. There currently exists a two-family dwelling on the property that has seen better days. It is the Applicants intention to demolish the existing structure and to build a new two-unit building. The property currently has 42 feet in frontage and 109 feet in depth. It fronts on both Benson Avenue and Decatur Avenue. It is the Applicants intention to build two units one facing Benson Avenue and one facing Decatur Avenue.

The Applicant will require front yard setback on the building facing Decatur Avenue for both the building and the porch as the prevailing setbacks in the District are 21.4 feet for the building and 7.4 feet for the porch and the Applicant is proposing 12 feet for the building and 5 feet for the porch. The Applicant would also require minimum front yard landscape for Decatur in the requirement is 60% and the Applicant is proposing 48.5%. The Applicant will also be seeking "C" Variance relief for the third-floor decks.

The new project will be an aesthetic enhancement for both streets; provide offsite parking for both properties and provide more than adequate landscaping for both properties and will completely conform to FEMA setbacks. There will be no substantial detriment to the public good; character of the neighborhood; or the Zone Plan or Zoning Ordinance.
